Certifications

AWS Certified Cloud Practitioner

Srinivasmurthy G C

Research Scholar at PES University | Focused on smart agriculture
| IoT | Disease detection | Passionate about using technology and
data-driven solutions to tackle real-world agricultural challenges.
Bengaluru, Karnataka, India

Summary

I am delighted to be pursuing my research at PES University in the Department of Computer Applications. My research guide, Dr Visalakshi S, is very supportive and helpful in my research journey. The department's faculty members are all excellent and truly contribute to a positive academic environment.

Experience

PES University
Researcher
May 2025 - Present (1 year 5 months)
Bengaluru Rural

Smart Build Automation
Web Developer
July 2023 - December 2023 (6 months)
